When Aldelano Solar Cold Chain Solutions products are purchased in advance, they can offer immediate emergency assistance to communities in dire need. FREE DOWNLOAD According to FEMA, "Severe weather can happen anytime, in any part of the country. Severe weather can include hazardous

The Beginning of a Solution. Freshwater generators can alleviate much of the suffering in arid regions, and Aldelano has developed an off-grid solution with the Aldelano Solar WaterMaker TM. The Solar WaterMaker TM is an atmospheric water generator powered only by the sun. It comes as a freestanding generator or as an attachment to any Aldelano solar cooler.

Our off-grid, industrial-grade solar-powered units provide a life-sustaining solution that can be delivered anywhere in the world. Whether here in the United States or across the sea, our solar products can help. Unlike other solar power companies, we provide after-sale support.

Our advanced solar refrigeration and water generation technology allows us to provide those in need with fresh, clean drinking water, cold storage, and renewable power. Our new and improved deep cycle batteries allow us to power your community with quality, lower -cost and rugged renewable energy solutions.
