

American Samoa shinefar solar

Who is shinefar solar?

Shinefar Solar Co. is a collaborative venture between Hangzhou XuLin Photovoltaic Technology Co. and Shinefar UK Co. We specialize in manufacturing high-quality photovoltaic modules. Our advanced production facilities span over 3.5 hectares in the Zheneng Intelligent Industrial Park in Huzhou, Zhejiang.

Where is shinefar solar made?

Our advanced production facilities span over 3.5 hectares in the Zheneng Intelligent Industrial Park in Huzhou, Zhejiang. With an annual production capacity of 3GW, we offer a wide range of modules, including PERC, N-type TOPCON, and HJT modules. At Shinefar Solar, we have a team of highly experienced technical personnel who drive our success.

Why should you choose shinefar solar?

Shinefar Solar puts quality first always. 100% automatic production line with international standards and excellent system of quality control system to ensure the quality of manufactured products is perfect. Shinefar solar strictly controls the quality of panels. Each panel has undergone strictly with six quality inspection.

Who is Hangzhou shinefar solar?

Hangzhou Shinefar Solar Co., Ltd., Experts in Manufacturing and Exporting Solar Panel, Solar Inverter and 0 more Products.

Where does shinefar Solar Ship to?

With a solid global presence, Shinefar Solar has been shipping products to Europe, Latin America, North Africa, and Southeast Asia. To better serve our international customers, we have established seven overseas branches and service centers in Germany, Spain, Poland, Finland, Thailand, Brazil, and the UK.

Who is shinefar?

In the field of solar projects, Shinefar has technical personnel with third-level qualifications for general contracting of construction and hydropower projects and rich construction experience and is familiar with the procedures and requirements of grid companies for distributed photovoltaic grid-connected power generation projects.

Our experts assist you in selecting the most suitable solar solutions tailored to your specific requirements. EPC Contracting Services: With our extensive experience in constructing solar photovoltaic power stations, we deliver full-service Engineering, Procurement, and Construction (EPC) solutions.

Shinefar Solar Co., Ltd: We're professional solar panels, solar power system, bifacial solar panel, black solar panels, hybrid solar system manufacturers and suppliers in China. Be free to wholesale high quality products at competitive price from our factory.
