

# Bahrain solar panel for houses

We are a solar EPC contractor in Bahrain offering solar panel installation and maintenance works across the country. As an EWA-approved solar contractor in Bahrain, we are recognized as one of the Kingdom's most trusted solar companies.

We will use solar energy to power local homes and businesses while helping the planet. A clean, renewable and sustainable energy alternative. Our facility's manufacturing capacity is 60,000 panels per year. This is equal to producing 15 MegaWatts of power. Our prices are comparable to those available in China or India, without the import cost.
