

# Brunei aleo solar gmbh

aleo solar GmbH produces and distributes premium solar modules and systems for the international photovoltaic market. The company was originally founded in 2001. The premium manufacturer has approximately 200 employees and is represented in the key photovoltaic markets all over the world.

Our solar modules are made of highly efficient monocrystalline photovoltaic cells. In selecting our cells, we rely on the best cell technology, which is reflected in particularly long product life and industry-leading performance in our modules.
