

# Can the TV wall be converted into a storage cabinet

Can you put a TV cabinet in a spare bedroom?

Don't forget to install an anti-tip bracket. If you have lots of blankets, quilts, and other bed linens, you can upcycle an entertainment center into the perfect storage solution in a spare bedroom. Because TV cabinets tend to be deep, they're ideal for storing larger linens like quilts. Paint the cabinet to match your decor.

What can you do with a TV cabinet?

Lighten and brighten your TV cabinet while keeping its glorious storage by turning it into a gorgeous piece of kitchen furniture. Why do we repurpose old TV cabinets and TV stands?

With the introduction of flat screens, big TV cabinets and TV stands are not longer useful. These huge pieces of furniture often end up in storage. They can also be found in charity shops where they are often overlooked. May be that's why we love repurposing old TV cabinets and entertainment centers.

Can a TV cabinet be repurposed?

If you have a bulky old entertainment center, give it a new life with a few coats of paint! They're a great way to get some extra storage in your living room or family room, but many of these old TV armoires need a bit of work. They have that orangey wood tone that was so popular in the 90s. Fortunately, it's easy to upcycle a TV cabinet!

Can TV stands be repurposed?

TV stands, TV cabinets and entertainment centers hold a lot of upcycling potential. Check our collection of 12 before and after repurposed TV stands and entertainment centers. Some are projects we've worked on over the past few years, some are projects we found browsing the web.
