The UAE Government has supported Fiji in its pursuit towards alternative energy supply through the funding of the Lau, Kadavu and Rotuma (LAKARO) renewable energy project worth US\$5m. It also provided support in 2020 for Personal Protective Equipment (PPEs) and medical equipment for the fight against COVID-19.

We offer a sustainable, eco-friendly, and economically viable solution for meeting your energy needs. Solar energy has emerged as a game-changing solution, revolutionizing the way we generate electricity and paving the way for a cleaner and more sustainable future.
