

# GoodWe Photovoltaic Inverter GWT Instructions

How do I get a GW SEMs user manual?

Scan the QR code or visit [https://en.goodwe.com/Ftp/EN/Downloads/User%20Manual/GW\\_SEMS%20Portal-User%20Manual-EN.pdf](https://en.goodwe.com/Ftp/EN/Downloads/User%20Manual/GW_SEMS%20Portal-User%20Manual-EN.pdf) to get the user manual. Power of the inverter before operations and maintenance. Otherwise, the inverter may be damaged or electric shocks may occur. Delayed discharge. Wait until the components are discharged after power of.

What is the rated power of a PV inverter?

The intended use of the inverter is as follows: 6000: the rated power is 6000W. The PV system is not suitable to connect equipment that relies on a stable power supply, such as medical equipment to sustain life. Ensure that no personal injury is occurred when the system is disconnected.

How to install a power inverter?

The PE line of the inverter should be connected to the earth, ensure that the impedance between the neutral wire and earth wire is less than 10  $\Omega$ . Disconnect the breaker or fuse between the inverter and the utility. Connect the inverter to the grid. The wiring installation method on the AC output side is shown as below:

Does goodwe offer a warranty?

To our inverter product, GOODWE provides a standard manufacturer's warranty, which comes with the product and a prepaid warranty extension solution to our customer. You can find the details about the terms and solutions from the below link.

How to maintain the MT series inverter?

Regular maintenance ensures a long operating life and optimal efficiency of the entire PV plant. Caution: Before maintenance, please first disconnect the AC breaker. Then disconnect the DC breaker. Wait 5 min until the residual voltage has been released. The MT series inverter is equipped with three fans on its left side.

How to set up a power switch on a PV inverter?

Tap Settings->Load Control to enter load control page and select the working mode. Working mode: Power Switch Mode, Time Mode and Backup Load Control Mode. Turn on or off the loads via PV Master app directly. Select Power Switch Mode and tap ON. Once the inverter receives ON command, the contactor will be connected and loads be powered on.

View and Download Goodwe HT Series user manual online. Photovoltaic Grid-Tie Inverter. HT Series inverter pdf manual download. Also for: Gw100k-ht, Gw110k-ht, Gw120k-ht, Gw136k-hth, Grid-tie ht series, Grid-tie gw100k-ht, Grid-tie ...

# GoodWe Photovoltaic Inverter GWT Instructions

View and Download Goodwe HT Series user manual online. Grid-Tied PV Inverter. HT Series inverter pdf manual download. Also for: Gw73klv-ht, Gw75k-ht, Gw80k-ht, Gw100k-ht, Gw110k-ht, Gw120k-ht, Gw136k-hth.

GoodWe PV solar inverters and hybrid inverters available by PVshop . ... 3-phase 30kW PV inverter. AC output rated power: 30000W. DC max. Input voltage: 1100V. AC output voltage: ...
