

Ineos energy New Caledonia

Who is INEOS?

We are an energy company committed to meeting the needs of our customers today and throughout the energy transition. We are a key supplier of energy and carbon storage solutions to our internal INEOS customers as well as third parties. We produce and trade oil, gas, Liquefied Natural Gas (LNG) and carbon credits.

Where are Ineos energy assets located?

Key operated assets are in the Eagle Ford shale basin in South Texas. Owning and operating producing US onshore assets is part of INEOS Energy's strategy to build a global integrated portfolio, fit for the energy transition, offering high-quality energy solutions to its customers.

Will Ineos invest in shale gas in the UK?

In November 2014, Ineos announced plans to invest up to £640m in shale gas exploration in the UK. The company planned to use the gas as a raw material for its chemicals plants, including Grangemouth near Falkirk. Ineos CEO, Jim Ratcliffe, has criticized restrictions on fracking in the UK.

Where is INEOS headquartered?

Ineos' headquarters in London, England. Ineos Group Limited is a British multinational conglomerate headquartered and registered in London.

How many companies did Ineos buy?

The first phase spanned over ten years, with Ineos acquiring 22 companies between 1998 and 2008. The two most notable of these were Innovene, the olefins and derivatives and refining subsidiary of BP, in October 2005 for \$9 billion, and ICI's commodity chemicals business in 2001.

What are some examples of Ineos energy?

Good examples of this are Project Greensand, our pioneering Carbon Storage project in the Danish North Sea and our investment in HydrogenOne Capital. "At INEOS Energy we are looking to provide the tools for people to be able to decarbonise their energy consumption."

We are an energy company committed to meeting the needs of our customers today and throughout the energy transition. We are a key supplier of energy and carbon storage solutions to our internal INEOS customers as well as third parties.
