Prime Minister Narendra Modi visited Laos from October 10-11 for the 21st ASEAN-India Summit and the 19th East Asia Summit which have emerged as the fulcrum of India's decade old Act East Policy and extensive comprehensive strategic engagement with the ASEAN countries on bilateral and regional level.

I also chair the Lao National Assembly of Commerce, which is concerned about energy security, especially as Laos haven't established an energy security policy. This situation needs to be managed properly, and a full transition from traditional fuel sources and fossil energy to renewable energy will take time.
