

Latest prices of solar photovoltaic panels

How much do solar panels cost?

But the average solar panel system of 3.5kWp will cost around £7,000 to install, according to estimates from the Energy Saving Trust. The exact cost will vary, depending on the size of your home and how much electricity you want to produce. See how much you can expect to pay. Find out: are solar panels worth it?

How much does a photovoltaic system cost in the UK?

o A household in the UK installs a 5kW photovoltaic system costing £8,000 (average cost), which would generate approximately 4320 kWh of electricity annually. o The annual SEG income in the UK would be £324 per annum.

How much does a solar & battery system cost?

The average cost of a 3kWp solar panel system for a typical property with two or three bedrooms is about £9,000, including installation. This jumps up to around £11,000 if you're adding a 5kWh battery. This is a great time to get a solar & battery system, as there's currently 0% VAT on both panels and batteries.

How much does a solar system cost in the UK?

In the UK, the typical solar panel system sees a labour cost between £300 and £500 per person per day for a skilled two-person crew. While labour may account for 10-30% of your total solar system cost, these figures are not set in stone--alternative pricing options like 20 pence per watt provide flexibility.

How much does a solar PV installation cost per kilowatt?

The mean average cost per kilowatt of a small solar PV installation (0-4kW) is above £2,000 for the first time since these records began in 2013/14. Prices for larger solar installations (4-10kW) increased even more dramatically - by 31% since 2021/22.

Where are solar PV cost data taken?

Data are taken from the Microgeneration Certification Scheme - MCS Installation Database. For enquiries concerning this table email fitstatistics@energysecurity.gov.uk. Small scale solar PV cost data for 2023-2024 published. Small scale solar PV cost data for 2022-2023 published. Small scale solar PV cost data for 2021-2022 published.
