Oushang Solar has engaged in R& D, production, and sales of solar module products for many years. The power range of our solar panels is from 5W to 550W. Products cover monocrystalline and polycrystalline panels, half-cell ...

Introducing the OS-P72 200/300W solar panel by Oushang Solar, a trusted name in the solar industry. This high-quality solar panel offers a reliable and efficient solution for residential and commercial applications. With power output ...

Customized solar panels offer a unique and efficient way to harness the power of the sun. By tailoring your solar panel system to your specific needs, you can optimize energy production, reduce costs, and make a positive impact on the environment.

Its hot selling products include: 72 cells solar panel, 60 cells solar panel, 36 cells solar panel, and provide customized solar panel. the factory has strict quality control, please contact us! Oushang Solar Panel is a leading solar panel suppliers in china.

OUSHANG SOLAR is one of top photovoltaic module manufacturer in China and has annual production capacity of 1200MW. Our solar panel products range is from 5W to 560W. Products cover monocrystalline solar panel, polycrystalline solar panel, half cell solar modules, solar controller, solar inverter, solar gel battery, solar flood light, solar ...
