

La pinza de agarre de tejidos y intestinos para traumatismos de Babcock viene con un cierre de trinquete que le confiere su propiedad de autorretención. Esto es valioso al agarrar tejidos para manipularlos repetidamente. Fabricado en acero inoxidable de primera calidad con acabado satinado para evitar reflejos.

Dr. Babcock's desire to help others and his sense of adventure have led him to volunteer clinics across the globe. He has worked at Gift of Sight clinics in Mexico and Thailand, Medical Wings International in Honduras and Peru, Project Vision for Ukraine, and OneSite in India.

Nestled in the heart of West Virginia, Babcock State Park offers a serene escape into nature's beauty. This park is famous for its Glade Creek Grist Mill, a picturesque spot that looks like it belongs in a storybook. The mill, a fully operational replica of the original Cooper's Mill, grinds cornmeal and flour, giving visitors a glimpse into the past.
