

Phelan energy group Algeria

Phelan Energy Group is a world leader in low-cost energy development with an exclusive focus on Solar PV. PEG commenced operation in South Africa 10 years ago, and is led by a dynamic international development team of 90 executives, with 12 different nationalities.

Phelan Energy Group Limited is a prominent international energy developer specializing in Solar PV. With a mission to achieve the lowest cost of solar energy globally, they have established themselves as a major player with over 500 MWp of installed and grid-connected capacity.

As passionate about renewable energy as about people development, our group is a leading international developer and innovator in the renewable energy sector and the storage thereof, through the production of photovoltaic solar electricity.

At Phelan Green Energy, we're committed to maximizing wind energy's potential for sustainable solutions. Through innovation and sustainability, we lead in wind technology, revolutionising clean electricity generation.
