

Pinnacle energy solutions llc Mauritania

Pinnacle Energy Services is a full-service energy management company that specializes in HVAC and lighting retrofits, solar PV systems, Ionization, fuel cell installation & maintenance. We provide energy solutions for industrial and commercial customers to help them reduce their operating costs while improving their environmental footprint.

Founded in 2014, Pinnacle Energy Solutions offers LED lighting retrofit, HVAC controls, and unit upgrades, as well as solar and ionization system installation. Acquired by Mike Ware in 2021, Pinnacle seeks to serve clients by beginning every project with the end goal in mind.

Pinnacle Energy Solutions offers the North American made and manufactured Argus pigging valves, Oxifree metal protection coating and a comprehensive pigging valve maintenance service for pipeline, refining, chemical and petrochemical industries.
