

Placas de energia solar Cocos Keeling Islands

Why are the Cocos Islands called the Keeling Islands?

The territory's dual name (official since the islands' incorporation into Australia in 1955) reflects that the islands have historically been known as either the Cocos Islands or the Keeling Islands. The territory consists of two atolls made up of 27 coral islands, of which only two - West Island and Home Island - are inhabited.

How do the Cocos (Keeling) Islands communicate?

The Cocos (Keeling) Islands have access to a range of modern communication services. Digital television stations are broadcast from Western Australia via satellite. A local radio station, 6CKI - Voice of the Cocos (Keeling) Islands, is staffed by community volunteers and provides some local content.

What is the capital of Cocos (Keeling) Islands?

The capital of the Territory of Cocos (Keeling) Islands is West Island while the largest settlement is the village of Bantam, on Home Island. Governance of the islands is based on the Cocos (Keeling) Islands Act 1955 and depends heavily on the laws of Australia.

Is there plastic pollution on the Cocos (Keeling) Islands?

“Significant plastic accumulation on the Cocos (Keeling) Islands, Australia” Scientific Reports. 9 (Article number 7102): 7102. Bibcode: 2019NatSR...9.7102L. doi: 10.1038/s41598-019-43375-4. PMC 6522509. PMID 31097730. ^ McGrath, Matt (16 May 2019). “Plastic pollution: Flip-flop tide engulfs 'paradise' island” BBC News. Retrieved 7 October 2019.

Where can I watch the Cocos (Keeling) Islands?

It is available in paper and electronic formats. The Cocos (Keeling) Islands receives a range of digital channels from Western Australia via satellite and is broadcast from the Airport Building on the West Island on the following VHF frequencies: ABC6, SBS7, WAW8, WOW10 and WDW11

What power does Western Australia have over the Cocos Islands?

The Act also gives Western Australian courts judicial power over the islands. The Cocos Islands remain constitutionally distinct from Western Australia, however; the power of the state to legislate for the territory is power-delegated by the federal government.

Our services include solar and battery projects, commercial and industrial electrical installations and maintenance, emergency backup power systems, civil works, trenching, and excavation, service location and survey, and assistance with other infrastructure projects including fibre optic and communications for government agencies.
