

Powin LLC, a global energy storage platform provider, has entered into a strategic alliance with technology leader Hitachi Energy, signaling a significant shift in the energy storage landscape. As part of this collaboration, Hitachi Energy will acquire majority ownership in eks Energy (EKS), a renowned supplier of power electronics and energy ...

Hitachi Energy has acquired a controlling stake in eks Energy, a Seville, Spain-based provider of power electronics and energy management solutions for storage and renewables, from energy...

Powin is proud to be recognized among the world's leading energy storage providers in S& P Global Commodity Insights' 2024 Battery Energy Storage System Integrator Report, ranking within the top four globally (excluding China) and securing a position as the third-largest provider in the U.S. by megawatt-hours deployed and contracted. This ...

Powin Energy designs and assembles battery modules, packs and the final turnkey energy storage system using naked cells outsourced from battery makers in China. A controller is added to each module to balance charge across cells, and to each pack to balance charge across modules.

Powin LLC, a global energy storage platform provider, has entered into a strategic alliance with technology leader Hitachi Energy, signaling a significant shift in the energy storage landscape. As part of this collaboration, ...

Energy storage is essential for the transition to a sustainable, carbon-free world. As one of the leading global energy platform providers, we're at the forefront of the clean energy revolution. We offer fully integrated utility-scale battery energy storage systems to accelerate the shift to clean energy alternatives.

US-headquartered investment firm Kohlberg Kravis Roberts & Co (KKR) has closed debt financing transactions with battery storage system integrator Powin and developer Peregrine Energy Solutions. Both credit facility deals were announced yesterday (2 October) by the recipients and will be financed through insurance accounts managed by KKR.
