

Sawa energy South Sudan

Sawa Energy empowers East Africa's small and medium businesses by reducing electricity pricing and volatility. We build, own, and operate solar systems for our clients, enabling them to go solar and save money without any upfront costs.

Sawa Energy sets itself apart by removing the financial and operational risks to going solar. They offer local business integrated energy solutions with no upfront cost, and no operation and maintenance fees, ensuring that their customers have a seamless and worry-free transition to cleaner and more affordable energy.

Confronting the critical challenge of energy in East Africa, Sawa Energy is changing how small and medium businesses access power. With operations in Rwanda and Uganda, Sawa Energy eliminates upfront costs, making solar and energy-efficient ...
