Agista, an investment fund dedicated to SMEs, part of Impetum Group, acquires a 15% stake in the Romanian company Eplus Smart Energy (Eplus), which provides energy management services.

Sint Maarten developed a National Energy Policy (NEP) in 2014 that aims to mitigate the impact of energy use on the environment while reducing electricity tariffs. The main issues and actions addressed in the policy include moving away from fossil fuels; developing a country-wide energy efficiency program; promoting renewable energy, smart

PHILIPSBURG, Sint Maarten -- Member of Parliament Christophe Emmanuel on Tuesday said that had political maturity prevailed in 2017, St. Maarten would have had a groundbreaking project to establish a state-of-the-art waste processing plant with an integrated energy-generating component. This initiative would have been a pivotal move towards ...
