

Smart solar co New Zealand

Who is Solar Partners New Zealand?

We've got the power for you! Solar Partners New Zealand, the country's premier solar system wholesaler, trainer and business support hub. If you resell or install solar, we're here to support you with quality products, training and valuable partnerships.

Why should you choose smart solar?

Smart Solar is 100% Canterbury owned & operated and has a leading team of experts ready to design you a custom solar solution for your house. Only using the best brands and great warranties, it's time to start saving with Smart Solar. It's good for your pocket. It's good for the planet. It's good for your future.

Why did the Rempstone family choose a smart solar system?

The Rempstone Family chose to install a Smart Solar Setup with 18 panels generating 8 kilowatts for their 230sqm home. This decision aimed to reduce their reliance on grid electricity, providing financial relief as they got close to retirement.

Solar power is a great option for your home. Whether you are building a new house with solar power in mind or putting it on an existing house, solar power really is the power of the future. All of our clients have been over the moon ...

At CPS Solar we are solar specialists. In fact, we don't do anything else! We don't install carpets or lay sewerage drains. And we don't outsource our work to contractors. We are experts - we have been installing smart solar energy ...

At CPS Solar we are solar specialists. In fact, we don't do anything else! We don't install carpets or lay sewerage drains. And we don't outsource our work to contractors. We are experts - we have been installing smart solar energy solutions for New Zealand homes and business for ...

Smart Solar provides renewable energy products that are independently tested and recognised as top performers in reliability, long-term durability and low-maintenance performance. The brands we stock have such confidence in products that they guarantee them for decades.

With a passion for new technologies, he started his own electrical company Smart Systems in 1997. Smart Systems has since become a household name for innovative electrical systems in homes and businesses around the South Island.

At Smart Solar, we're proud to be 100% Canterbury-owned and operated! We understand the unique energy needs of our community and the local climate conditions better than anyone else. By choosing us, you're supporting a local business dedicated to providing personalized, high-quality solar solutions.
