

# Solar system energy Bermuda

AES remains at the forefront of revolutionizing Bermuda's solar industry, leading the way in sustainable energy solutions since 2008. As the first and most experienced solar company on the island, we have transformed the way Bermuda views and harnesses renewable energy.

At AES, our tailored residential solar solutions bring the benefits of solar energy to homeowners by reducing your electricity costs and promoting energy independence. We are confident in our ability to design and install a system to meet the energy goals of each individual client we serve.

Our experienced team designs a customized solar solution that aligns with your energy requirements and budget. We offer a range of solar products, including Solar Power Generators, Direct Current Refrigerators, Direct Current Water Pumps, Portable Solar Panels, Fixed Solar Panels, and Sun Tracking Solar Panel mounts.

Sunny Side Solar donates all of its net profit towards providing solar for low income households struggling to pay their electricity bill, registered charities and important civic institutions. We have installed over 65 solar systems over 4 years
