

These are the best Titan Solar builds in Destiny 2, including builds for endgame and Solo players. And by the way, as any top-tier Titan build, these will guide you every step of the way, including essential Exotics, Mods, and more.

This Solar Titan build is one of the better all-around builds in the game. It combines insane add-clearing potential with huge burst damage on single targets. The Solar Titan's innate kit allows for it to be survivable even when we aren't directly building into it, allowing us to focus more on damage by causing a crazy amount of ignitions.

Solar ability final blows, Hammer of Sol impacts, and defeating scorched targets creates Sunspots. Your abilities regenerate faster, and your Super drains more slowly while standing in a Sunspot. Sunspots apply scorch and deal damage to targets inside.

Explore the best and most powerful Solar Titan builds made by top-tier Destiny 2 players featuring synergistic armor, weapons, and abilities. Whether your focused on PvE content, or on dominating in PvP matches, plan on consecrating and smiting your enemies with tons of damage or becoming an unstoppable force of nature, our guides offer diverse ...
