BASSETERRE, ST KITTS, 9 December 2024 (PMO) -- The Government of St. Kitts and Nevis and the St. Kitts Electricity Company Ltd (SKELEC) have terminated the Renegotiated Power Purchase Agreement (PPA) with SOLEC Power Ltd (SOLEC) for the construction of a Solar PV and Battery Energy Storage Project. This decision follows the ...

BASSETERRE, SAINT KITTS (Press Secretary): The Government of Saint Kitts and Nevis and the St. Kitts Electricity Company Ltd (SKELEC) have executed an Amended Power Purchase Agreement (PPA) with project developer SOLEC Power Ltd for the largest solar PV and battery energy storage project in the Caribbean.

With the project's completion, Leclanch&#233; will have enabled St. Kitts and Nevis to be in the global top tier of countries utilising renewable energy with over 30% penetration. Leclanch&#233;'s battery storage system will ensure that the continuous fluctuating power demand on the island matches the instantaneous grid capacity (load balancing and ...

The findings revealed important aspects of the agreement that were unfavourable to SKELEC and, by extension, the Government and people of St. Kitts & Nevis. These findings prompted the renegotiation of the PPA to achieve, among other things, (1) a reduction in the Power Purchase Price, (2) an opportunity for local private sector investment in ...

The St. Kitts and Nevis government has commissioned a six-megawatt (MW) rental power plant to stabilize the national grid temporarily while the sole electricity provider undertakes essential infrastructure upgrades.

With the execution of the Amended PPA having a reduced fixed power purchase price, SKELEC is now set to save approximately USD\$200 million over the life of the PPA when compared to power generated by diesel ...
