Each cabinet has 2 Shelf, making it an ideal place for storing all your books, magazines, DVDs or other items. These wall cabinets are also easy to clean with a damp cloth. Beautiful cabinet, easy to install, good quality.. Tina.

Do TV units have open shelves?

Some of our TV units have open shelves, while others hide the storage behind cabinet doors. Depending on what you want to display, you can go for one or the other. If you've got your wires and cables built into the wall, then open shelves can be a cool option. That way, you can showcase your beautiful interior details.

How do I choose a TV storage unit?

Selecting the perfect TV storage unit is about finding a balance between form and function. Consider the size of your room and the dimensions of your television when browsing for TV wall units. A unit that's too large can overwhelm a small space, while one that's too small may not provide the impact or utility you're after.
