

Tokelau smart helio

Does smarthelio warm up the planet?

The planet warms up and so does Smarthelio. The "doctors of solar plants" got selected by Verbund x Accelerator Program 2022 to collaborate with the Austrian utility, thanks to their plug-and-play solution that can be integrated into any solar system and generate up to 5% more clean energy.

Where is smarthelio located?

SmartHelio is located in Lausanne, Vaud, Switzerland. Who invested in SmartHelio? SmartHelio has 12 investors including Pegasus Tech Ventures and Soma Capital. How much funding has SmartHelio raised to date? SmartHelio has raised \$6M. When was the last funding round for SmartHelio?

Why should I use smarthelio?

SmartHelio quickly proved to be the ideal solution for us. They not only identified all the errors we found with our current monitoring system but also uncovered additional failures we weren't aware of.

How will whataventure work with smarthelio & Verbund?

Whataventure (who helped to organize the event) would work in sync with Smarthelio and Verbund to ensure that the project is always aligned with its clear objective; increase energy systems' performance. Both teams will work together over the next 5 months as per the milestones decided during the event.

This innovation regards to the development of a "smart modular heliostat" which in addition to sun tracking capabilities (as current heliostats do), has the additional degree of freedom of being ...
