Through its commitment to offering superior customer service, an integrated selection of food and nonfood items, nationwide reach, in-depth product and management expertise, marketing prowess and building lasting relationships with customers, Trelco Food Division satisfies customers and exceeds expectations as it has done for decades.

Iran's telecommunications industry is almost entirely state-owned, dominated by the Telecommunication Company of Iran (TCI). Fixed-line penetration in 2004 was relatively well-developed by regional standards, standing at 22 lines per 100 people, higher than Egypt with 14 and Saudi Arabia with 15, although behind the UAE with 27.
