

Our Customer Mission as TSY Energy is to provide reliable engineering, contracting, and trading services. By embracing technological innovation, we aim to assist our customers in selecting the most suitable and accurate products and solutions that align with their specific needs.

The Tonga Energy Road Map 2021-2035 (TERMPLUS) is Tonga's national energy policy and 15-year roadmap, to achieve ambitious renewable energy targets of 70% and 100% renewable electricity by 2025 and 2035, respectively, through actionable energy strategies.

At TSY Energy, our primary target is to deliver transformer tanks of unparalleled quality to our valued customers. We achieve this by adhering to strict quality flows throughout our operations. From the sourcing of premium-grade materials to the final inspection of finished products, each step of our manufacturing process is meticulously ...

As the world transitions from fossil fuels to cleaner and safer energy sources, Tonga is at the forefront of the movement in the Pacific. PCREEE and TNQAB are collaborating on a groundbreaking initiative with the Pacific Community's (SPC) Educational Quality and Assessment Programme (EQAP) to develop a regional qualification on E-mobility.

This project has the potential to reduce significant volumes of diesel use annually. This project would not only mean a big reduction in Tonga's reliance on expensive imported diesel fuel, it also creates awareness within Tonga Power of the complexities of ...

Our Customer Mission as TSY Energy is to provide reliable engineering, contracting, and trading services. By embracing technological innovation, we aim to assist our customers in selecting the most suitable and accurate products ...

Welcome to TSY Energy, a leading supplier of mechanical parts for transformers in the oil-filled transformer industry. With over 15 years of experience in Project management and Aftersales support, as well as 10 years of Engineering expertise, we are dedicated to providing high-quality products and exceptional service to our customers.

Quality and Precision: At TSY Energy, quality is at the forefront of everything we do. We adhere to stringent quality control processes to maintain the highest standards of workmanship, accuracy, and reliability in all our deliverables.
