

In 2024, Kosovo completed its first ever solar auction with winning bidder, the Orllati consortium, for a 100 MW solar park in Kramovik.. This groundbreaking solar auction ensured a transparent and level playing field for qualifying bidders and is a testimony to growing investor interest in Kosovo's vast renewable energy potential.

With these certifications, Jaha Solar can sell its solar panels in Kosovo and abroad. Jaha Solar debuted its products at Kosovo's first-ever Green Festival in May 2016 sponsored by USAID. At the festival, Hoxha and other Jaha Solar representatives presented their products to hundreds of attendees, including other green businesses, which paved ...

Small businesses currently pay the highest electricity rates in Kosovo, and households in rural areas experience the most power outages. By installing these panels, USAID and Jaha Solar are stimulating interest in solar energy as an inexpensive and reliable power source.
